

Evergreen Exhibitions LTD.
*B.C.'s #1 Consumer
Show Producer*

Dear Exhibitors,

In light of recent developments and mandate from the BC Health Authority regarding the 'ban' of gatherings with more than 250 people, we want to update you on our plans for the remainder of the show season.

As the ban has had no timeline attached to it, we do not know for how long or short of time it will be in place. Therefore, we will be taking this one week at a time and assessing each week/show individually as they get nearer.

This means we may not know or decide on cancellation, postponement, or rescheduling until the week of each event as they come. I understand that this may cause scheduling difficulties, uncertainties, and create some 'unknowns' going forward for you, and for that I apologize. Rest assured, you are not alone.

This will not only prevent us from prematurely and unnecessarily cancelling any shows, but this also gives us as much time as possible to make alternate arrangements and decisions as required.

If I had it my way, I wouldn't even be considering the idea of cancelling. In 35+ years, we have never had to cancel an event, so it is uncharted territory to say the least. Our goal will be to take steps and make decisions to have as few events affected as possible. Every effort will be made to reschedule before outright cancelling.

We appreciate your cooperation, patience, and understanding while we navigate the coming weeks and months.

Regards,

Darcy Hope
President
